

## **COVID-19 Response**

---

For all our valued customers,

In the past weeks it has become clear that COVID-19 (the Coronavirus) is having an unprecedented impact on business in Alberta and around the world.

### **How we're responding:**

- We are limiting traffic to government standards
- Masks are mandatory in our showrooms, in accordance with city bylaws
- We will be cleaning all countertops, and commonly touched surfaces several times throughout the day
- We are fully supporting our team in taking time off to follow all self-quarantine recommendations made by local health authorities, and the provincial and federal governments

### **What we ask of our customers:**

- In the showroom and warehouse, please practice social distancing.
- Please stand 2 meters away from the Order Desk when possible.
- Hand sanitizers and alcohol wipes are provided, please use them
- If you feel unwell, please stay at home.

Sincerely, Tile and Stone Source Team
